Gummy Math
Today we did a fun thing inside. Our teacher had gummy worms inside colored up like worms that looked like dirt. We had to guess how many worms we thought we would find of each color. Then we used plastic scoops to dig for them. We made a chart to compare our guesses with the actual amounts. The best part was that we got to eat them in the end. :D

Snowman glyph

Classroom blog

Land or water

Fall is T-rrific
Because:
The leaves are beautiful.
Football season begins.
The weather gets cooler.
My birthday is in October!
