About the Authors

Jim Holland

After graduating with a B.S. in Biology from the University of Texas at Arlington, Jim taught junior high science and industrial technology. He now serves the Arlington ISD as an instructional technology specialist. He holds a M.S. degree in Computer Education and Cognitive Systems from the University of North Texas.

Gaby Krumm

Gaby has a B.A. in Elementary Education and a B.A. in German from the University of Texas at Arlington. She taught kindergarten in Dallas, Texas and taught fourth grade for ten years in Arlington, Texas. She then joined the Arlington ISD Instructional Technology Department in 1996 as an Instructional Technology Specialist. Gaby received her Master of Education from North Texas State University.
