QR Codes make any lesson interactive and create memorable learning experiences for students.

All Grades.

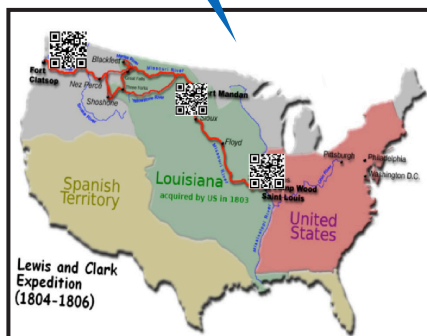

Easily Adaptable Lessons for All Grades and Content Areas:

- Cause and Effect
- Analyzing Photos
- Annotating Diagrams
- Book Trailers
- Formative Assessment
- Graphic Organizers
- Periodic Table of Elements
- Identifying Triangles
- Matching Synonyms and Antonyms
- Interactive Frayer Model
- Animal Families
- Picturing the Crusades
- Characteristics of an Economy
- And So Much More

Features:

- Step-by-Step Lesson Plans
- Sample Products
- Templates
- How-Tos for Generating QR Codes
- Extensive List of QR Code Generators

Lewis and Clark Expedition

The Frayer Model

What Element Am I?

Clue #1	Clue #2	Clue #3	What Element Am I?

Vocabulary Review

Kay Cole Kay has been in public education for over twenty-five years. She began her career as a business teacher, but spent most of her time in middle school grades with technology integration in the academic classroom. She has been involved in all aspects of technology integration from training teachers on software and hardware to developing lessons for student integration. She has presented at many state, local and district conferences, including the Texas Computer Educator Association State Conference, the Texas Middle School Conference, and the Texas Council for Social Studies. In her spare time, she likes to spend time with her family and grandchildren, paint ceramics, and relax.

Kimberly Boyd Kim has been in public education for over twenty years. She began her career as a science teacher, but spent most of her time in the classroom teaching middle school social studies in Garland ISD. She became an Educational Technology Specialist in 2006 and has been extremely involved in all aspects of integrating technology into the classroom for Fort Bend ISD. She has presented at many state conferences, including the Texas Computer Educator Association annual conference, the Texas Middle School Conference, and the Texas Council for the Social Studies conference. In addition, she was a featured speaker for the Verizon Innovative Learning Schools Virtual Conference in 2013. In her spare time, she likes to cook, read, watch football, and take care of her three rescued Golden Retrievers.
