

Tutorial 1A

WHAT YOU NEED

NewsMaker 2015 for Windows

WHAT YOU NEED TO RUN NEWSMAKER

1

Computer

- Desktop or laptop running Windows 7, 8 or 10.

WHAT YOU NEED TO RUN NEWSMAKER

2

Webcam and Microphone

- Built-in or external webcam and microphone.
- When NewsMaker is used in a classroom with many students recording at the same time, using an external microphone will help improve the audio quality.

WHAT YOU NEED TO RUN NEWSMAKER

3
